

REMARKS/ARGUMENTS

The specification has been amended to include a cross-reference to the parent applications and to include the published Abstract.

The specification as filed is a copy of the International Application. It is respectfully requested that the examination be formed on the basis of the Article 36 Amendment pages (the "Amended" pages) which are attached to the International Preliminary Examination Report.

An early and favorable action on the merits of the claimed invention is requested.

Respectfully submitted,

NIXON & VANDERHYE P.C.
